**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 21 You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.
- 22 You shall abstain from alcohol and shall submit to testing (including urinalysis and Breathalyzer), as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from this substance.

**CAUSE**

On September 1, 2005, the offender tested positive for marijuana upon her admission to Second Chance-Turner House in Spokane, Washington. This sample was confirmed positive by Redwood Toxicology Laboratory in Santa Rosa, California, on September 8, 2005. It should be noted that the offender had been tested prior to being released from Pioneer Center East's Inpatient Program in Spokane, Washington, on August 31, 2005, and the sample was negative. This officer took no action on this matter, as it was anticipated Ms. Brady would benefit from clean and sober housing at Turner House.

On February 2, 2006, this officer met with the offender to have her sign a waiver of hearing to add the modification for drug and breathalyzer testing to occur no more than six times per month. Ms. Brady understands the rationale behind this modification.

The offender is scheduled to be released from Turner House on February 27, 2006. She will have spent the entire 6 months at this facility. She worked at 7-11 throughout the majority of her stay at Turner House. While this officer would have preferred Ms. Brady advising this officer prior to leaving her job at 7-11 to enroll in college, the

probation office does support her attending college. She enrolled at Spokane Community College in Spokane on January 4, 2006, and is taking a computer and an English course. She is currently receiving unemployment. Ms. Brady has been asked by this officer and Turner House staff to secure part-time employment. To date, she has not found employment.

This officer is respectfully requesting that Ms. Brady be released from Turner House on February 27, 2006, when her 6-month stay will terminate. The probation office believes she has utilized all the services available to assist her in being a law abiding citizen.

Respectfully submitted,

by
